Those people who can organised and pray Eid prayer at home and ONLY the household members are sufficient to pray, then it should be prayed at home as below.

How to perform Eid Prayer

 If praying Eid Prayer at home, then we should start by making intention of praying two Rakah wajib with six extra Takbeers any time after Sunrise.

Intention:

<u>Imam</u> will say that I am praying and leading "the wajib salaat of Eid ul Fitr" with extra six Takbeers, for the sake of Allah and facing toward the Qiblah.

<u>Muqtadi</u> will say that I am praying the wajib Salaat of Eid ul Fitr with extra six Takbeers for the sake of Allah behind this Imam and facing toward Qiblah.

- We will pray by performing three Takbeers in the first Rakah before Surah Fateha.
- In this instance, we will say Allahu Akbar and raise our hands to the ears and release our hands from tying.
- Second time we say Allahu Akbar and also raise and leave our hands by the side.
- Third time we say Allahu Akbar and raise our hands also but this time we fasten then like we do for Salaah.
- The rest of the prayer will be prayed normal similar to any prayer.
- However, the second set of three Takbeers will be performed in the second Rakah before the Ruku and after reciting the Surah.
- Similarly the hands will be raised once the Takbeer is said first time, and then the second time and the third time also.
- On the fourth occasion of saying Takbeer, instead of raising hands we will go into Ruku.
- The rest of the prayer will be performed normal.
